## Why should you go with AIC Consulting & Design, LLC?

### For Students

Writing a paper, presenting a poster, or preparing a demo? AIC can help you and your advisor. We are affordably priced for a student budget, and can help with proofreading, design, and graphics development.

### For Faculty

Organizing a conference? We can reduce the hassle of publication by putting together the proceedings from the individual author contributions. All you have to do is print our file.

### For Educators

Need to target a special client or learner population? We offer services from technology integration and needs assessments to usability surveys and training development.

*Our goal: Affordable design solutions for all.*

### For Small Businesses

Need help with your website? We can design and maintain your web content.

### Packages and Subscriptions

Are you a repeat customer? Check out the discounted pricing for our portfolio of packages and subscriptions:

- For students: A “virtual advisor” subscription with unlimited proofreading.
- For faculty: A “web chair” or “publication chair” at a low monthly rate.
- For small businesses: Your web front-end maintainer.

*Our priority: Saving your time.*

*Sally is a Research Assistant who makes \$3200 a month (or \$1600 for a 50% appointment). Her hour costs \$20. We want to be more affordable. If we cost less than your time for the task, consider having us do it for you! We want to save your and Sally's time and money!*
